

You are invited to
A COMMUNITY CONVERSATION with
James Hustace, Hawai'i County Council Member
Tuesday evening, August 4, 5-6:30 PM

at my home, 69-1536 Puakō Beach Drive, Kamuela, 96743
(from highway -- second driveway on the right, past the Boat Ramp)

James is our Hawai'i County Councilmember for District 9 – the area covers the junction of Daniel K Inouye Hwy and State Route 200; West of Daniel K Inouye Hwy; East of State Route 200; North of State Hwy 200 until end of State Hwy 270. This translates to Waikoloa, Puakō, Waimea, Hāwī, Kapa`au, and Halaula.

What a great occasion to hear his update on items before the County Council, State legislative points of interest, and Hawai'i Island. We will have the opportunity to ask questions on *any topic* and express concerns we might have as well.

You are free to invite people I might not have included. However, please RSVP, let me know if you've invited someone and, of course, if they are attending. We will always make room for interested neighbors!

It's nice if I have an idea how many are coming, so feel free to respond to this email with a quick yes, no, or maybe. Thanks.

Also, there is plenty of parking at the boat ramp, or you can try our driveway. It's best to park OFF the street as there's a little curve, a little hill, and some people drive a little too fast.

A hui hou, Barbara
